

## Come Away

There are four spontaneous piano pieces, later beautifully orchestrated with symphonic sounds. The intent is to provide the listener with a vehicle in order to enter the secret place of the Most High & experience the depths of God's love. "My beloved spoke, and said to me: "Rise up, my love, my fair one, and come away." Song of Sol 2:10

## Hidden in the Secret Place

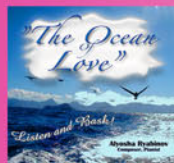

Alyosha added orchestration to beautiful spontaneous piano music. Soaking and restful, this recording consists of two sections: In the Secret Place and Riding on the Wings of the Spirit. If peace and deep inner rest is needed - this is your vehicle to fill the environment. Wonderful for personal impartation, corporate prayer meetings and true meditation.

## In The Bosom of The Father

Peaceful spontaneous piano music with added orchestration and concludes with Alyosha's prophetic impartation of the Father's blessing. This CD imparts a powerful blessing from the Father, which many have never experienced and is needed to come into a healthy identity. It is indeed life transforming!

## The Ocean of Love

When listening to this music it gives one a sense of being surrounded by an ocean of love and security. Peace exudes from this music and it is a wonderful platform for waiting on God, resting, meditation and just filling your environment with an entire hour of rest and peace. Piano music is played by Alyosha and strings are added for even more colors. JUST BEAUTIFUL! ENJOY!
